The Humble memorial of
Narasipur Ramiah residing
in Haralahelli

Most Respectfully Sheweth -

I That he purchased in the auction held by the Taluk Amildar of Channarayapatam Taluk, Hassan District, 22 acres of wet lands and 6 acres of dry land about the year 1887.

II That he was in possession of the said lands for about 2 or 3 years and was enjoying the produce of those lands.

III That those lands were acquired by the Government for enlarging the Tank of Kalasinda in the year 1890.

IV That on your Petitioner's complaining against the acquisition of the said lands to your honor he was informed in order No 3145 of 3rd June 91 that he would be given other lands in lieu of them which orders were

were communicated to the Deputy Commissioner of Hassan District.

V That since 1891 your memorialist has not been given the lands ordered to be given to him in lieu of the lands acquired by Government although he went and requested the Deputy Commissioner of the said District on many occasions.

VI That on the month of July 1893 the Deputy Commissioner of the District gave orders to the Amildar of the Channarayapatam Taluk to go and see the lands which Petitioner selected and whether they are fit to be given to him.

VII That after the receipt of the Amildar's report the Deputy Commissioner assured Petitioner that he would see the lands and then give them to him.

VIII That the Deputy Commissioner then directed in March 1894 the General Assistant Commissioner Mr Ramanuja Iyengar to make over the lands to the North of the Hemavati Vala and although four months have passed since then Petitioner has not been given the lands upto date although he went and complained to the Deputy Commissioner and General Assistant Commissioner on many occasions.

IX That other people whose lands were acquired along with the Petitioner have been allowed lands in the very spot at the rate of

of half an acre for each acre of land acquired

by government

X Petitioner even asked the deputy

commissioner to allow him the lands in

the same way as the other land holders

got from the government, but the gener

Assistant commissioner told petitione

of lands for the 28 acres of land taken

by government.

XI That the price of the 28 acres of his land

acquired by government offered by some

persons was Rs 3000 and he refused to

sell them as they were very valuable.

XII Petitioner therefore prays that the

Deputy Commissioner will be pleased

to take his claims into consideration

& issue necessary orders to hand over

to him without further delay such

of the lands as are now available (viz, 7 acres
1st Sort, 15 acres 3rd sort & 5 acres Kharab =
Total 27 acres) out of the 88 acres below
the north channel extension of the
Sirsanem dried dam in the Shimoga-
-patana Taluk, in exchange for his lands
taken up by government in the same
terms as other land holders as his
claim remains unsettled for a long period
of 3 years.

For which act of kindness petitioner
shall, as in duty bound, pray.
